In the Nordic tournament, the wrestler with the highest number of victories will be ranked first.

If two wrestlers have an equal number of victories, their direct match will determine the ranking.

If more than two wrestlers have an equal number of victories, the ranking will be determined following these criteria

- The highest classification points between the ex-aequo athletes
- The highest victories by « Fall » between the ex-aequo athletes
- The highest match victories by superiority between the ex-aequo athletes
- The highest technical points scored in the whole competition
- The fewest technical points given in the whole competition
- The lowest draw number

Direct match comparison between the two last ex-aequo will not be used if more than 2 wrestlers have an equal number of victories.

From the 7th place, wrestlers of each category will be ranked depending on their classification points, retirement or forfeit, injury or disqualification.

In case of a ranking tie, they will be ranked by analyzing the following criteria successively

- The most victories by "Fall"
- The most match won by superiority
- The most technical points scored in all the competition
- The fewest technical points given in all the competition

If the place of the wrestlers cannot be determined with the above-mentioned criterion, they will be ranked

The wrestlers taking part in the repechage phase will also be ranked according to the classification points earned during the competition, including qualification matches and repechage.

In the Nordic tournament, the wrestler with the highest number of victories will be ranked first.

If two wrestlers have an equal number of victories, their direct match will determine the ranking.

If more than two wrestlers have an equal number of victories, the ranking will be determined following these criteria

- The highest classification points between the ex-aequo athletes
- The highest victories by « Fall » between the ex-aequo athletes
- The highest match victories by superiority between the ex-aequo athletes
- The highest technical points scored in the whole competition
- The fewest technical points given in the whole competition
- The lowest draw number

Direct match comparison between the two last ex-aequo will not be used if more than 2 wrestlers have an equal number of victories.

In the Nordic tournament, the wrestler with the highest number of victories will be ranked first.

If two wrestlers have an equal number of victories, their direct match will determine the ranking.

If more than two wrestlers have an equal number of victories, the ranking will be determined following these criteria

- The highest classification points between the ex-aequo athletes
- The highest victories by « Fall » between the ex-aequo athletes
- The highest match victories by superiority between the ex-aequo athletes
- The highest technical points scored in the whole competition
- The fewest technical points given in the whole competition
- The lowest draw number

Direct match comparison between the two last ex-aequo will not be used if more than 2 wrestlers have an equal number of victories.

In the Nordic tournament, the wrestler with the highest number of victories will be ranked first.

If two wrestlers have an equal number of victories, their direct match will determine the ranking.

If more than two wrestlers have an equal number of victories, the ranking will be determined following these criteria

- The highest classification points between the ex-aequo athletes
- The highest victories by « Fall » between the ex-aequo athletes
- The highest match victories by superiority between the ex-aequo athletes
- The highest technical points scored in the whole competition
- The fewest technical points given in the whole competition
- The lowest draw number

Direct match comparison between the two last ex-aequo will not be used if more than 2 wrestlers have an equal number of victories.
